FRANK BAKER ARRIVES

VIRGINIANS TO REACH NEW TRAINING CAMP ON SATURDAY

Remain at Westhampton Through To-Morrow-Eihel Writes Another Note-Ayres to Pitch Here.

Frank Baker, the aspiring, youngster with the famed name, who hails from Ballground, Ga., reported to Billy Smith yesterday and immediately began getting himself in shape for the display of his prowess. He is a husky youngster and appears to be in ex-cellent trim. Baker informed Manager Smith that he had delayed report-ing because he had a position and did not wish to depart until the work had

been completed.

A number of fans made the trip to Byrd Park yesterday in the expecta-Byrd Park vesterday in the expecta-tion of seeing the Virginians at prac-tice. They were disappointed, and they vented their ire on Smith, the newspapers and affairs in general. Billy, as he announced on Tuesday night, fully believed he would get his men to Byrd Park yesterday. How-ever, when he reached Westhampton vesterday morning he found all of his

yesterday morning he found all of his men on the field in uniform, and de-cided to practice there during the early part of the day. Coach Frank Dobson expressed the desire to have A few more set-tos with the professionals before they departed, so it later was decided to remain for the afternoon game as well.

Last night Smith and Dobson de-cided to continue working out their squads together through Friday at Weathampton. The Virginians will take final leave of the suburban training scamp on Friday night, and will work out at Byrd Park on Saturday morning before the game with the Washington rookies that afternoon.

Ayres and Humphreys to Pitch.

Manager Smith was informed over
the long-distance telephone last night
from Rocky Mount that Ayres and Humphreys would be the pitchers to work against the Virginians here on Saturday. It is believed now that the park will be in fairly good condition for the contest which is to start at 315 o'clock.

Another communication was received from Hack Elbel yesterday. In his latest letter the player asserted he certainly would be on deck here on Friday and would be in good shape for active work at once.

None of those who viewed the game at Westhampton yesterday was able, at the conclusion of the contest, to say what was the score. It was a large one, though. Both Coach Dobson and Manager Smith were keeping their eyes too closely upon the various players to heed the number of runs made. Billy worked Hoffman and Barnes against the Spiders. Hoffman was the player who yesterday attracted most the build of a hurler, and handles him-self well. Elsh also performed noticeably during the work-out.

Hitting—Stress Base Running.

[Special to The Times-Dispatch.]

WillLiAMSBURG, VA., March 28.—
The William and Mary baseball team plays his initial game of the season here to-morrow with the Fairmount Athletic Club of Richmond as its opponents. This game was scheduled for last Wednesday, but was postponed on account of rain.

Aspirants for the team have been working out regularly on Cary Field for the past week, and are in good shape for the Richmonders. So far, the team has showed good fielding ability, but the stick work is unusually weak. To counteract this defect, it is probable that the coach will emphasize base running.

The probable line-up for the Indians will be: Outfield, Goslee, Geddy and Cato; first base, Murry; second, Crizen; short stop, Johnson; third, Fentress; catcher, Garber, and pitcher, Garnett or Forehand.
